Deputy Chief

Outdoor Event Rules

The City of Kenosha Fire Prevention Bureau will be conducting fire inspections on the day of your event. These inspections will be carried out two (2) hours prior to the event opening. To help prevent any interruptions to this event, the following are a few of the items that we will be looking for:

- Open flames will not be permitted under tents or awnings under any circumstances.
- All vendors must have a 3A40BC fire extinguisher in their area.
- If extension cords are utilized, it is required that the cord rating is at least a 12-2 gauge heavy-duty. Maximum allowable cord length shall be 200 feet.
- Limit the amount of combustibles under the tents.

If you have any questions or concerns regarding your area or tent, please feel free to contact the Fire Prevention Bureau at 262-653-4110.

Have a great event!

Patrick A. Ryan
Division Chief
Kenosha Fire Prevention Bureau
