

February 8, 2025

Hello Everyone,

Happily, we are letting everyone know that the Kiwanis Club of Western Kenosha is again planning a **Taste of Wisconsin™ 2025**. We have a new team of Kiwanians doing the scheduling and are looking forward to being in contact with all the outstanding people who have given their time and talent in the past so we can have a successful event. Taste of Wisconsin™ is the major fundraiser for the Kiwanis Club of Western Kenosha and all the proceeds go back to the community by supporting local activities involving children: Kiwanis youth baseball, High school music and academic scholarships, Christmas baskets for the Shalom center, as well as other charities involving children with disabilities and the less fortunate.

The days and hours are the same as last year. We are running Friday, July 25, 3PM to 11PM, Saturday, July 26, 11AM to 11PM, and Sunday, July 27, 11AM to 7PM.

We ask that the bands donate an hour or so of their time on stage. We have supplied the stages with respected sound companies. The Rock and the Main Stage will have small back lines. There is also an Acoustic Stage and of course the Jazz/Big Band Stage, Drum kits, and a bass and guitar amp will be on the main, rock and jazz stages. We are looking forward to a successful year and here's what we need from you.

If you are interested in performing, please respond to this email with the Band Name, contact information and website or Facebook page. If there is a particular **day or time of day** your band cannot perform, please let us know and we will be sure not to put you in that time slot. Also, we will need a band member count and parking permit request so we can put them in your welcome packets. We will confirm details of the band packet pick up at a later date.

If you need to get in touch with one of us, please call or text the stage manager listed below, using the number next to their name. Otherwise, you can respond to this email. It may not be possible to accommodate every band who is willing and interested.

Last year's event was a great success for all involved. You know you are asked to donate your band time to this fund raiser for Kiwanis and we appreciate that fact! You will get generous tips from the crowd. **All the Kiwanis members donate all their time and effort also.**

Thanks so much, we appreciate all of you!
